

Dear Commissioners:

I strongly urge you to protect my privacy by requiring phone companies to obtain my approval before they sell my customer records. I don't want to be flooded with even more phone calls from pushy telemarketers.

Records revealing who I call, who calls me, the length and frequency of my calls and the other details of my phone bill should be private information, not available for sale or use by the phone company. This information could be used by scam artists, telemarketers and others with an interest in knowing the private details of my life.

Please take a strong stand today to protect Americans from this attempt by the phone companies to violate our right to privacy.

Sincerely,

A handwritten signature in cursive script, appearing to read "Steve & Loretta Hardy".
